

Service Credit Union Selects D. Hilton Associates To Conduct Chief Information Officer Search

The Woodlands, Texas (September 9, 2015) – The Executive Recruiting Team at D. Hilton Associates has been hired to search for a distinguished Chief Information Officer who will join the Executive Management Team at Service Credit Union. Reporting to the President/CEO, this individual will be responsible for the planning, deployment and use of strategic technology throughout the organization, management and administration of the credit union's Information Technology and Telecommunications infrastructure. Further responsibility includes strategic planning, implementation, and operation of all electronic channels, including online, mobile, card products (debit and credit), and ATMs. As a key member of the Executive Team, the CIO will be challenged with building a viable, technologically superior financial service organization. The CIO must have a high degree of overall knowledge relative to major data communication networks with specific knowledge of the (Fiserv) Spectrum and PBX/voice communications desired. A minimum of seven years management in Technology/Telecommunications arena and a Bachelor's degree in Information Technology or equivalent required. Master's degree preferred.
