

Community Credit Union of Florida Seeking Individual to Fill Role of Technology Network and Security Administrator

The Woodlands, Texas (January, 2017) – D. Hilton Associates is searching for a talented and skilled individual to serve as Technology Network and Security Administrator for Community Credit Union of Florida, headquartered in Rockledge, Florida.

Reporting to the Technology Manager, this position will be responsible for reviewing, planning, evaluating, and establishing the credit union's information network and security systems as assigned by the VP of Technology. This position will also be responsible for troubleshooting and recommending network and security improvements; designing and supporting network and security systems, and supporting network and security related software. This candidate will assist the credit union in living out their mission, *"Always improve the financial well-being of our members and make a positive difference in our community,"* by delivering outstanding service. A Bachelor's degree in Computer Science, Information Technology, Computer Engineering, or a related field is preferred; or four or more years of experience in an equivalent position or a combination of education and experience.

About Community Credit Union of Florida

Community Credit Union of Florida is a not-for-profit member owned financial institution that was founded by educators in 1953. Today, their legacy continues by maintaining strong financial stability and serving over 41,000 members with assets over \$580 million. To service member's needs, Community CU has seven branches and 50,000 free ATMs nationwide, and offers a range of products including higher savings rates, lower loan rates, and reduced service fees. Membership is offered to residents who live, work, worship, attend school, or conduct business in Brevard, Orange, Osceola, Polk, Volusia, and Indian River counties. Providing excellent member service, convenient online and mobile services compliment the institution, letting members manage their money on their time and location. Community CU stands behind their mission of improving the financial well-being of members and making a positive difference in the communities they serve. Community is not just a name; it is what defines the organization.
