

First Community Credit Union Enlists Services of D. Hilton Associates to Search for Software Developer

The Woodlands, Texas (March 2018) – First Community Credit Union, headquartered in Houston, TX, is in search of a talented Software Developer to join their team.

Working within the Information Systems team, this individual will be responsible for implementing and customizing sophisticated Core financial system programming, leading projects to design and develop, supporting and troubleshooting technical issues related to the Core financial platform interfaces hosted within the Data Center environment. Other duties include: developing and designing integrations utilizing .NET, Python, and proprietary APEX SDK for both front-end and back-end applications, coordinating with the Information Services group on different layers of the infrastructure, and providing technical assistance in relation to application development deliverables as required. A minimum of two years of experience with object oriented .NET, C#, ASP.NET, VB.NET design and development (Microsoft applications). A Bachelor's Degree in Computer Science or equivalent is required.

About First Community Credit Union

First Community Credit Union, chartered in 1954 to serve the employees of Spring Branch Independent School District has grown over the past six decades to become one of the largest credit unions in Houston with more than 125,000 members and \$1.3 billion in assets. Serving the communities of Spring Branch, Alief, Cy-Fair, Katy, Sugar Land, Missouri City, Spring, Tomball, and The Woodlands with a philosophy of "people-helping-people," providing members with convenience and exceptional service, FCCU leads the way as a high-tech, high-touch credit union. As a full-service financial institution, FCCU offers Online Banking, Mobile Banking, iPhone/Android Apps, and launched products such as EMV chip cards and MyMoneyMaps to ensure that members are backed by the latest in security. FCCU delivers upon their mission to make a first-rate financial difference in their members' lives.
