

Tennessee Valley Federal Credit Union Enlists Services of D. Hilton Associates to Search for Chief Technology Officer

The Woodlands, Texas (October 2018) – Tennessee Valley Federal Credit Union, headquartered in Chattanooga, TN, is in search of a Chief Technology Officer to join their team.

This individual will direct and oversee all of the credit union's technology planning processes to ensure and maintain the development of information systems following established policies and procedures. Reporting to the President/CEO, this candidate will set objectives and strategies for the credit union's entire technology infrastructure including core operations, networking, disaster recovery, cybersecurity, data management, programming, and applications. Must have a diverse background in technology with extensive knowledge of IT systems and experience in change management and strategic planning. A Bachelor's degree in Computer Science or Information Technology is required with a minimum of ten years related experience in a financial institution. Master degree preferred.

About Tennessee Valley Federal Credit Union

Tennessee Valley Federal Credit Union, founded in 1936, as Chattanooga TVA Employees, a non-profit financial cooperative built on the promise of "people helping people." Membership is a community based financial institution and open to people living, working, worshipping in the geographic area, and includes 13 surrounding counties of Chattanooga. In 1994, the name was changed to Tennessee Valley Federal Credit Union to better reflect the membership base. Today, TVFCU is the 5th largest credit union in Tennessee, with 15 branch locations, more than \$1.4 billion in assets, and over 138,000 members.
