F&A Federal Credit Union Announces New President/Chief Executive Officer

MONTEREY PARK, CALIFORNIA – (February 2019) F&A Federal Credit Union is pleased to announce the selection of Tim Green as the credit union's new President and Chief Executive Officer.

"We are delighted and thankful that Tim has accepted the opportunity to join and lead our organization. He brings with him a strong leadership and management background," said Andy Doyle, Board Chair. "His experience and understanding of the credit union philosophy will add enormous value to the F&A Federal Credit Union membership."

Green comes to F&A Federal Credit Union with over 12 years of experience in the financial services industry, and a further five years of experience in the financial advisory industry, as an accountant and then an auditor. His financial services experience spans banking, community banking and credit unions. He is joining F&A Federal Credit Union from KeyPoint Credit Union in Santa Clara, California where he held the position of Executive Vice President and Chief Financial Officer for six years. Prior to his time at KeyPoint Credit Union, Green held the position of Executive Vice President and Chief Financial Officer at Gateway Bank for five years. Green has a Bachelor of Arts from Evergreen State College, in Olympia, Washington.

When asked about his new position, Tim stated, "I am very excited to be joining F&A Federal Credit Union and am honored to have been given the opportunity to lead such an organization. There is tremendous opportunity to take what is an already fantastic credit union and make it into an even greater financial resource for the membership and the community."

About F&A Federal Credit Union

F&A Federal Credit Union opened in 1936 with a mere \$26 in assets, and is now a full-service credit union, serving over 45,000 members, with nearly \$1.7 billion. F&A's membership includes employees and families of the Los Angeles County Fire Department, Forestry, Agricultural and Weights and Measures Departments, as well as select city employees throughout Los Angeles County. As one of the largest credit unions in the nation, F&A prides itself on their proven ability to return profits to members through higher dividend rates on savings and lower loan rates. F&A strives to ensure that members receive caring and personal service along with exceptional value. They are committed to offering members a wide variety of high quality products and services, remain technologically competitive, and maintain financial soundness.
